Bhanu Priya

B.Tech CSE Student | Aspiring Full Stack Developer

Ambala, Haryana, India | priyabhanu95516@gmail.com | github.com/priyabhanu95516-droid

PROFILE

Third-year Computer Science student with hands-on experience building full stack web applications using PHP, MySQL, HTML, CSS and JavaScript. Completed a web development internship and built two database-driven projects. Looking for an internship where I can learn, contribute and grow as a full stack developer.

EDUCATION

B.Tech, Computer Science and Engineering 3rd Year (Ongoing)

Ambala College of Engineering and Applied Research, Ambala

TECHNICAL SKILLS

- **Frontend:** HTML, CSS, JavaScript, jQuery, responsive design
- **Backend and Database:** PHP (PDO, sessions), MySQL
- **Tools:** Git, GitHub, VS Code, XAMPP, phpMyAdmin, MySQL Workbench
- **Currently learning:** DSA in Java and MERN stack

PROJECTS

PG Life – PG Accommodation Platform (PHP, MySQL, JavaScript) GitHub

- Built a full stack platform where students can search PGs by city, filter by gender and sort by rent.
- Implemented signup and login with PHP sessions and hashed passwords, and a dashboard with profile editing.
- Created property detail pages with image carousel and amenities, and an AJAX "interested" toggle with live count.
- Designed a normalised MySQL schema (users, cities, properties, images, amenities, interested) using PDO prepared statements.

Student Accommodation Website (PHP, MySQL, JavaScript) GitHub

- Developed a website to help students find accommodation, with property listing and property detail pages.
- Built user signup, login and logout with a PHP backend and a MySQL database connected through PDO.
- Added about and contact pages with a shared navigation bar and a clean, responsive layout.

EXPERIENCE

Web Development Intern – InAmigos Foundation (Remote) Sep 2026 – Oct 2026

- Analysed the foundation's website and suggested improvements in design, content, layout and user experience.
- Built a multi-section NGO concept website (homepage, about, services) using AI tools.
- Completed weekly tasks on deadlines and shared the work through Google Drive and LinkedIn.

CERTIFICATIONS

- Web Development Internship Certificate – InAmigos Foundation
- SQL (Basic) – HackerRank
- Technology Job Simulation – Deloitte
- Data Science – Kaggle
